GRADING SCALE

K12 Private Academy does not automatically compute high school class rank. If a class rank is required by legislation or is needed for scholarship eligibility, students may request their class rank from the registrar. Class rank will be calculated using courses taken at K12 Private Academy as well as courses transferred in. The student must have been enrolled for at least two consecutive terms on a full-time basis. The following comment will be placed on each student's transcript, "The weighted GPA for transfer courses will be based on K12 Private Academy's guidelines for assigning quality points". Our school offers multiple start dates for both the fall and spring terms. For this reason, the student's final spring term will have an end date between May and August.

* Transcripts are available 3 weeks after the semester end date.
